

Steve Young
Senior Associate

Stephen Young is an award-winning designer, artist, and project manager with years of technical expertise and administration. He graduated with a Master of Landscape Architecture from the Harvard University Graduate School of Design (GSD) and with a Bachelor of Arts in Studio Art and Urban Studies from the College of Wooster. He has worked in various regions of the country, working with Richard Burck Associates in Somerville, and Peter Lindsay Schaudt Landscape Architecture in Chicago. He is currently working on the Washington and Lee University Indoor Athletics Center, the College of William & Mary Fine and Performing Arts Center and Virginia Tech's Holden Hall and the Chapter 1 Port Covington Redevelopment.
